IV INTERNATIONAL SCIENTIFIC-PRACTICAL CONFERENCE OF YOUNG SCIENTISTS

«ACTUAL PROBLEMS OF LIFE SCIENCES AND NATURAL RESOURCES»

April, 25–27, 2018

Kyiv

First newsletter

Dear Colleagues!

We inform you that on April 25-27, 2018, the 4th International Scientific-Practical Conference of Young Scientists "The Actual Problems of Life Sciences and natural resources" will be held.

To participate in the conference are invited:

representatives of the scientific community (teachers, researches, doctoral students, postgraduate students, students of higher educational institutions of the I-IV levels of accreditation for all types of training programs (junior bachelor, bachelor, specialist, master), representatives of state and local government, public organizations, enterprises and establishments

Thematic directions of the conference

1. Actual problems of technology, standardization and quality management of agricultural products.
2. Status and prospects of development of modern veterinary medicine.
3. Competitive agrarian economy of Ukraine: intellectual and resource-information support.
4. Actual problems of the forest complex and park management in the context of modern challenges.
5. Humanitarian sciences.
6. Energy efficiency in agro-industrial and environmental spheres.
7. Automation of biotechnological processes.
8. Crop production, ecology and biotechnology in agriculture.
9. Actual problems of land and legal relations in conditions of power decentralization in Ukraine.
10. Construction and reinforcement.
